These members may participate in all the competitions and track events organized by the athletics association.
2. *Training membership:* These members pay, in addition to the basic contribution of Asterix, a basic membership to the athletics association. These members may **not** participate in the competitions and track events organized by the athletics association

The amount of the contribution fee depends on the type of membership and the time of the month in which you join. See the table below:

Month in which you join:	Competition membership	Training membership*
Between September and December	€ 66,65	€ 44,15
Between January and April	€ 59,80	€ 37,30
Between May and August	€ 52,90	€ 30,40

*Training members have the possibility to get a short-term membership (3 months). If this could be of interest to you, ask about the possibilities.

To become a member you have to do the following

1. Hand in your registration form (Page 3) to the secretary/membership administration.
2. Read the financial information about direct debit (Page 4).
3. If you choose direct debit, fill in the authorization form (Page 4) and hand it in to the secretary or treasurer.
4. If you do not want to choose direct debit, transfer the amount due to the account NL58INGB0004456320, for the account of E.S.A.V. Asterix Eindhoven, stating your name + contribution fee 2015-2016

Finally, three important issues that can prevent administrative problems:

1. To be a member of Asterix you need a sports card of the student sport center.
2. Contribution fees have to be paid before December 1. If the contribution fee is not paid in time, members of Asterix may be removed from the member list. Reregistration costs an extra € 6,80. So be in time with your payments.
3. If you want to end your membership or change your type of membership please report this in due time (before December 1) to the secretary/membership administration. Please, also mention a change in address.

We hope you enjoy your time at E.S.A.V. Asterix.

Direct Debit

The contribution fee of members who want to use direct debit will be taken off their account around November. This will happen every year, as long as you are an Asterix member. This means you stay a member of Asterix automatically unless you unsubscribe yourself before September at the secretary/membership administration. This also means your type of membership (competition membership or training membership) will be continued automatically. If you want to change your type of membership, please indicate this as soon as possible to the secretary/membership administration, otherwise the wrong amount can be taken off your account.

It is always possible to reclaim a withdrawn amount (within 56 days) if you did not approve of the withdrawal. Apart from the contribution fee no other amounts are withdrawn, payments for Asterix activities are not collected using direct debit.

To get the direct debit option you got to do the following. Fill in the authorization form for the direct debit and hand it in alongside your registration form. Ending the direct debit can be done by sending a letter to Asterix (If you terminate your membership it will end automatically). If needed, you can get a standard letter from the bank. If you got any questions about the direct debit please question our treasurer or chairman.
